2016 SINGLE ACRE RIESLING

SRP: \$35

WINE OVERVIEW

Bright and lively, this dry style Riesling is taut with energy. Floral notes of citrus blossom and white peach usher in more subtle hints of elderflower, lemon verbena, and ginger. The palate is streamline but has a generous presence displaying mouthwatering notes of lemon and peach with a minerality that is carried seamlessly to the back of the palate. Enjoy now or can be cellared.

HARVEST OVERVIEW

2016 was a warmer than average year for the Willamette Valley, with a perfect deceleration of heat accumulation at the end of an early growing season that allowed a nice pace to harvest. A touch of rain during flowering gave the composition of small clusters with a higher skin to pulp ratio, leading to concentrated flavors and aromas, making 2016 one of the best vintages to date.
