WINE OVERVIEW

Named after Bill Stoller's mother, this wine is sourced from our oldest section of Pommard in the vineyard. An exclusive assemblage of our four finest barrels, it expresses the elegance and refinement of our vineyard. This combination of mature fruit and French oak produces a long-lived wine that will further evolve with cellaring.

HARVEST OVERVIEW

A temperate spring and perfect weather around fruit set coupled with a terrific summer of warm temperatures and dry days led to a beautiful vintage of perfectly sized, lusciously ripe fruit. We had our earliest harvest on record, starting with our younger Pinot Noir sections on September 8. The wines from this vintage are concentrated and fruit driven, illustrating both restraint in winemaking--letting our vineyard display its nature as well as power of a robust growing season.
