## 2015 DUNDEE HILLS CHARDONNAY

SRP: \$25

### WINE OVERVIEW

Vibrant and racy, our unoaked 2015 Dundee Hills Chardonnay leaps out of the glass with lively aromatics of preserved lemon, passion fruit and kaffir lime. The palate is seamless as flavors of lemon curd and citrus fruits are carried effortlessly across the palate by a bright acidity.

### HARVEST OVERVIEW

Warm and temperate spring weather prompted an early bud break as well as perfect weather for ideal fruit set, thereby producing larger, luscious clusters with lots of berries. The consistently dry weather and summer sun beautifully ripened the fruit until the end of August when a cold front came in and slowed down the assumed trajectory of our harvest. The cooler temperatures slowed down the sugar accumulation of the fruit and allowed for a longer hang time on the vine. Consequently, we were able to bring in the fruit as the flavors presented themselves. As a result, the wines are concentrated with complex layers and bright acidity.

Bottled	February 2016
T.A.	7.6 g/L
pH	3.22
Alcohol	12.5%
