2018 SINGLE CLONE PINOT NOIR POMMARD CLONE

SRP: \$45 | 88 CASES

WINE OVERVIEW

Our Single Clone Pinot Noir series is specially crafted for guests who visit our tasting room. The wine was aged in 100% neutral oak for 12 months to showcase the clonal nuances of the varietal.

Our single clone bottling shows alluring floral aromatics and subtle notes of amaretto. The palate is vibrant and dense with textural structure to the lengthy finish.

HARVEST OVERVIEW

On average, the 2018 vintage was a warmer and drier growing season. The vintage kicked off with an early bud break. June saw a cool, wet weather period during bloom, which put the vintage back on track for a traditional September harvest. Cluster sizes were smaller and more conducive to producing high-quality wines. The most notable climatic feature to the 2018 vintage, was our pleasantly dry and moderately warm harvest weather that continued into early November. This allowed us to pick based on ripe flavors and near-perfect natural acidity.
