## 2013 DUNDEE HILLS PINOT NOIR

SRP: \$30

### WINE OVERVIEW

Crafted exclusively from estate fruit, our Dundee Hills Pinot Noir is made in an elegant, approachable style. It has aromas of brambleberry and cherry with floral notes of lilac and violets and understated hints of cola and cinnamon. The palate features a purity of red fruit flavors, bright acidity and medium tannins.

### HARVEST OVERVIEW

Consistently warm, dry summer days led to the earliest harvest in Stoller's history, beginning on September 13, 2013 with younger Pinot Noir sections. As processing progressed, temperatures cooled and rain showers settled in, setting up a true "vintner's vintage," where meticulous sorting and attentive winemaking were essential. Despite these challenges, the 2013 Stoller vintage ultimately delivered pure, nuanced wines of exceptional quality.

### PAIRING IDEAS

This approachable wine pairs well with a variety of foods, including cedar plank grilled salmon with tarragon aioli, pulled pork with cherry chutney and pickled onions, creamed morel mushrooms with shallots and hard cheeses, especially Comté.
