

Loyalty Points Program

Now introducing Stoller Points! We're excited to announce that you can now earn loyalty points just by purchasing Stoller wine. For every dollar you spend in our tasting room or on our website, you will gain points that you can redeem towards wine, merchandise, food, guest house stays, and more. Wine club members will accrue points faster, depending on your membership level and club referrals, with special member-exclusive prizes. Want the best part? You can manage your points in your account on our website or come into the tasting room to check your balance and use your points.
