FAMILY ESTATE

2020 WILLAMETTE VALLEY PINOT NOIR ROSÉ

SRP: \$28
CASES PRODUCED: 11,700

WINE OVERVIEW

Pinot Noir Rosé has been a cornerstone of our production for more than a decade. Comprised of various clones of Pinot Noir, we intentionally craft our Rosé to be balanced and bright.

Whole cluster pressed and fermented in stainless steel, our 2020 Willamette Valley Pinot Noir Rosé shows alluring aromatics of ripe stone fruit and strawberry. The palate displays flavors of watermelon and key lime with a mouthwatering acidity. The lingering notes of minerality on the finish will draw you back for another sip.

HARVEST OVERVIEW

The 2020 vintage will be one of the most memorable in our history. Rainfall during bloom coupled with cool temperatures set the stage for a historically low fruit set. The summer was delightfully moderate, and by the end of August, concentrated juice from tiny grape berries was intense with robust flavors. Harvest kicked off on August 28 and continued beautifully through Labor Day. Then, we experienced a freak windstorm that resulted in wildfires due to hot temperatures and arid conditions. Our team decided to continue with harvest to preserve our grapes. Meticulous sorting and attentive winemaking were essential to achieving our quality standards. We are fortunate to have some of the finest wine we can produce in bottle despite the challenges.

Bottled	January 2021
T.A.	7.23 g/L
pH	3.07
Alcohol	12.5%

16161 NE MCDUGALL RD, DAYTON, OR 97114
