## 2018 SINGLE ACRE LATE HARVEST RIESLING

SRP: \$35 | 238 Cases Produced

### WINE OVERVIEW

Our Late Harvest Riesling is sourced from the original Riesling plantings on our estate. With a glowing golden color, this wine has notes of honeysuckle, golden raisins, and petrol. On the palate, the wine is round and rich, with bright acidity that carries the sweetness to a crisp, long finish.

### HARVEST OVERVIEW

On average, the 2018 vintage was a warmer and drier growing season. The vintage kicked off with an early bud break. June saw a cool, wet weather period during bloom put the vintage back on track for a traditional September harvest. The most notable climatic feature to the 2018 vintage, was our extended summer harvest weather that continued into early November. This allowed us to pick based on ripe flavors and near-perfect natural acidity.
