2020 WILLAMETTE VALLEY PINOT NOIR

7,250 CASES PRODUCED

WINE OVERVIEW

Sourced from a collection of premier sites in the Willamette Valley, this wine is designed to embody the spirit of the region. Showcasing a myriad of Pinot Noir clones and Willamette Valley AVAs, this wine spent almost a year of *élevage*. The result is an approachable wine that can be enjoyed during its youth.

The nose is bright, showing notes of Bing cherry that is highlighted with hints of minerality, savory herbs, and baking spice. The palate is structured by fine-grain tannins that carry a beautiful vibrancy through the finish.

HARVEST OVERVIEW

The 2020 vintage will be one of the most memorable in our history. Rainfall during bloom coupled with cool temperatures set the stage for a historically low fruit set. The summer was delightfully moderate, and by the end of August, concentrated juice from tiny grape berries was intense with robust flavors. Harvest kicked off on August 28 and continued beautifully through Labor Day. Then, we experienced a freak windstorm that resulted in wildfires due to hot temperatures and arid conditions. Our team decided to continue with harvest to preserve our grapes. Meticulous sorting and attentive winemaking were essential to achieving our quality standards. We are fortunate to have some of the finest wine we can produce in bottle despite the challenges.
